THE CHICKEN AS ART

Cameron Village Regional Library received 55 entries for its recent chicken art contest, and gave 10 awards. Above, nanny Lindsay Webb shows Jacob Kirk, in her arms, and Jude Kirk some of the chicken art on display at the library on May 2. From left is "Ossuary" by Rob Larson, which took first place, and "Three French Bess" by Linda Dallas, which was awarded Best in Show. The art will be on display through May.
